FINISHING FOR OUTDOOR FABRICS AVAILABLE ON REQUEST

- Our products are waterbased, solvent-free, and environmentally friendly.
- Pigment printing may or may not fade over time, depending on fabric quality.
- Avoid strong detergents, hard spin, over dye, bleach, hot or industrial wash.
- Clients are liable for their own wash & quality testing of products prior to production.
- Allowance must be calculated for fabric and design shrinkage, depending on fabric.
- Fabric supplied should be PFP (prepared for printing), open width, fluff free with flat selvedge.
- Delivery is not of the essence of the agreement and any date given is approximate only.
- No claims will be accepted that exceed the printing costs of goods.
