 APPLY**

- **Pigment printing** is a eco natural process & has a limited lifespan, quality of fabric plays a role.
- **Extra strength** and protective fabric coatings available on request.
- **Best care:** easy over cold wash, no strong detergent, avoid wringing or excessive rubbing.
- Clients are liable for their own **wash and quality testing** before & after printing.
- **Allowance** factor on orders must be calculated in for **shrinkage**, depending on fabric type.
- Fabric must be **PPF** (prepared for printing), oil & contaminant free, fluff free with flat selvedge.
- **Delivery** is not of the essence of the agreement and any date given is approximate only.
- **No claims** will be accepted that exceeds the printing cost value of the order.
