 COATINGS
 FOR
 OUTDOOR
 FABRICS**

- **Pigment** is a water based ink, it has a long lifespan, colour loss can be expected.
- **Extra strength** fastness and protective fabric coatings available on request.
- **Gentle hand cold wash:** no strong detergent, avoid hard wringing or excessive rubbing.
- Clients are liable for their own **wash & fabric testing. No claim once fabric is cut.**
- **Allowance** must be factored in for **shrinkage**, this will vary according to fabric type.
- Fabric must be **PPF** (prepared for printing), oil & contaminant free, fluff free with flat selvedge.
- **Delivery** is not of the essence of the agreement and any date given is approximate only.
- **No claims** will be accepted that exceeds the printing cost value of the order.
