- **Pigment** is a natural water ink, it has a long but limited lifespan, fabric care plays a role.
- **Extra strength** and protective fabric coatings available on request.
- **For Best care:** cold wash, no strong detergent, avoid hard wringing or excessive rubbing.
- Clients are liable for their own **wash and quality testing** before & after printing.
- **Allowance** must be factored in for **shrinkage**, this will vary according to fabric type.
- Fabric must be **PFP** (prepared for printing), oil & contaminant free, fluff free with flat selvedge.
- **Delivery** is not of the essence of the agreement and any date given is approximate only.
- **No claims** will be accepted that exceeds the printing cost value of the order.
